The term “**Loss**” as used herein means:

1. with regard to hand and foot, actual severance through or above the wrist or ankle joint; and
2. with regard to eyes, the entire and irrecoverable loss of sight.

Loss of life must be evidenced by a death certificate or such other proof or documentation acceptable to the Company.

### **PERMANENT AND TOTAL DISABILITY BENEFIT – APPLICABLE TO A COVERED DIVING ACCIDENT**

If the Insured Person, who is over 21 years of age, is Permanently and Totally Disabled, the Company will pay the Principal Sum. The Principal Sum is shown in the Benefit Schedule. The Permanent and Total Disability must result from a Covered Diving Accident that occurs while Coverage is in force and must be evidenced by a report from a Physician acceptable to the Company.

The loss must:

1. occur within 365 days of the date of the Covered Diving Accident;
2. continue without interruption for at least 1 year; and
3. reasonably be expected to continue without interruption until the Insured Person’s death.

Any amount otherwise payable under this benefit will be less any amount paid or payable under the Accidental Death and Dismemberment benefit provided the loss is due to the same Covered Diving Accident.

For purposes of this benefit only, the phrase “**Permanent and Total Disability/Permanently and Totally Disabled**” means that the Insured Person, due to a Covered Diving Accident, is permanently unable to perform the material and substantial duties of any occupation for which he or she is qualified by reason of education, experience, or training. With respect to the Insured Person for whom an occupational definition of **Permanent and Total Disability/Permanently and Totally Disabled** is not appropriate, **Permanent and Total Disability/ Permanent and Totally Disabled** means that the Insured Person is permanently unable to engage in any of the usual activities of a person of like age and sex whose health is comparable to that of the Insured Person immediately prior to the Accident.

#### **Extended Benefits**

If the Policy terminates while the Insured Person is Totally Disabled, benefits will be extended for charges incurred after the date of termination. These extended benefits are subject to the same terms that would have applied if the Policy had remained in force. These extended benefits are payable only for charges incurred:

1. for treatment of the specific Accident that caused the Total Disability;
2. while such person remains so Totally Disabled; and
3. during the first 12 consecutive months after the Policy terminates.

For purposes of the Extended Benefits, Total Disability/Totally Disabled means that the Insured Person is unable to perform the material and substantial duties of any occupation for which he or she is qualified by reason of education, experience, or training. With respect to the Insured Person for whom an occupational definition of **Total Disability/Totally Disabled** is not appropriate, **Total Disability/Totally Disabled** means that the Insured Person is unable to engage in any of the usual activities of a person of like age and sex whose health is comparable to that of the Insured Person immediately prior to the Accident.

**EXTRA TRANSPORTATION BENEFIT –  
APPLICABLE TO A COVERED DIVING ACCIDENT ONLY**

If the Insured Person was prevented from using their original return trip ticket for transportation due to a delay caused by a Covered Diving Accident, the Company will pay, up to the Benefit Limit, an Extra Transportation benefit for the return trip. The delay must be on the advice of the attending Physician and the Insured Person must provide the Company with a copy of the attending Physician's advisory notice. The benefit payable is equal to the difference between a new ticket (in the same class originally booked) and the remaining value of the original ticket.

**EXTRA ACCOMMODATIONS BENEFIT –  
APPLICABLE TO A COVERED DIVING ACCIDENT ONLY**

If the Insured Person was delayed in returning Home on the written advice of the attending Physician as a result of a Covered Diving Accident, the Company will pay, up to the Benefit Limit, benefits for Extra Accommodations. Benefits begin on the first day following the original date the Insured Person should have returned Home. The Insured Person must provide bills or receipts of actual expenses and a copy of the attending Physician's advisory notice. Extra Accommodations also includes meals, local transportation, and incidentals. The benefit payable is shown in the Benefit Schedule, subject to a daily limit, where applicable.

**DIVING VACATION CANCELLATION BENEFIT –  
APPLICABLE TO A DIVING VACATION**

If prior to the time and date of departure for a Diving Vacation, the Insured Person or his/her Traveling Companion has suffered a Sickness or Injury that would substantially impair that person's ability to dive and requires the Cancellation of the Diving Vacation, the Company will pay, up to the Benefit Limit, for Covered Losses that the Insured Person incurs as a result of such cancellation.

**CANCELLATION** means a Physician has recommended in writing, that due to the severity of the condition of the Insured Person or his/her Traveling Companion, it is Medically Necessary that the Insured Person cancel the Diving Vacation. The Insured Person or his/her Traveling Companion must be under the direct care and supervision of a Physician.

**COVERED LOSSES** means any penalties, or forfeited nonrefundable, unused prepayments or deposits for diving, accommodations, meals, or transportation incurred as the result of cancellation of the Diving Vacation.

## **DIVING VACATION INTERRUPTION BENEFITS – APPLICABLE TO A DIVING VACATION**

If, after the scheduled departure date for a Diving Vacation, the Insured Person or his/her Traveling Companion has suffered a Sickness or Injury that would substantially impair that person's ability to dive and requires the Interruption of the Diving Vacation, the Company will pay, up to the Benefit Limit, for Covered Losses that the Insured Person incurs as a result of such interruption.

**COVERED LOSSES** means any penalties, or forfeited nonrefundable, unused prepayments or deposits for diving, accommodations, meals or transportation incurred as the result of interruption of the Diving Vacation.

**INTERRUPTION** means a Physician has recommended in writing, that due to the severity of the condition of the Insured Person or his/her Traveling Companion, it is Medically Necessary that the Insured Person interrupt the Diving Vacation. The Insured Person or his/her Traveling Companion must be under the direct care and supervision of a Physician.

If the Sickness or Injury is such that the trip can continue but the Insured Person or his/her Traveling Companion is prevented from continuing Covered Diving Activities, the Company will pay benefits for lost diving days. The benefit is payable on the number of diving days lost until the end of the scheduled trip. The daily benefit is the lesser of the amount shown in the Benefit Schedule or the non-refundable portion of the diving arrangements. If diving was purchased as part of a package, the daily benefit is the lesser of the amount shown in the Benefit Schedule or the difference between the daily rate for divers and non-divers. To be eligible for this benefit, the payments or deposits for the diving arrangements must be made prior to the onset of the Sickness or Injury which prevents the Insured Person or his/her Traveling Companion from becoming unable to dive.

If the forms are not sent within 15 days after the Company receives notice, then the claimant will meet the proof of loss requirements by giving the Company a written statement of the nature and extent of the loss. This must be sent to the Company within the time limit stated in the Proof of Loss provision.

**Notice of Claim.** The Company must be given written notice of claim within 180 days after a covered loss occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. Notice may be given to the Company or to its authorized agent. Notice should include the Insured Person's name and enough information to identify and contact him/her.

**Payment of Claims.** Benefits for loss of life of an Insured Person will be paid in accordance with the beneficiary designation, or if none to the Insured Person's estate. Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured Person suffering the loss. If an Insured Person dies before all payments due have been made, the amount still payable will be paid, to the Insured Person's estate or at the Company's option, in equal shares, to the survivors in the first surviving class of those that follow: The Insured Person's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

**Payment to a Minor or Incompetent.** If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding US\$3,000 may be made, at the option of the Company, to any relative by blood or connection by marriage of the payee, who, in the opinion of the Company, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

**Time of Payment of Claim.** Benefits payable under the Policy for any loss other than loss for which the Policy provides any periodic payment will be paid within 90 days of receipt of due written proof of such loss. Subject to due written proof of loss, all benefits that accrue for loss for which the Policy provides periodic payment will be paid monthly.

## **GENERAL PROVISIONS**

### **ENTIRE CONTRACT**

The application, group policy, certificate, and any attached riders shall form the entire contract between us. Any statement the Insured Person makes is a representation and not a warranty. No statement will be used by us to void or reduce benefits unless that statement is a part of any written application or enrollment form.

### **EXAMINATION UNDER OATH**

As often as we may reasonably require, the Insured Person or any person making a claim under this Policy must submit to examination under oath.

### **BENEFICIARY: CHANGE OF BENEFICIARY**

The Insured Person will name the beneficiary at the time of enrollment. The Insured Person may change the beneficiary at any time. To do so, a written request on a form satisfactory to the Company must be made to its home office. When the Company records the change, it will take effect as of the date signed. The change will not apply to any payment made by the Company before the request was recorded. If two (2) or more beneficiaries are named and their shares are not specified, they will share the proceeds equally.

When an Insured Person dies, there may be no living named beneficiary to receive any part of the proceeds. If so, the Company may pay such proceeds to the Insured Person's estate or, at the Company's option, to the Insured Person's:

- spouse, if living
- surviving children, equally, if the spouse is dead, or
- surviving parents, equally, if all children are dead.

The Company will not be liable for such payment after it is made.

### **MULTIPLE CERTIFICATES**

A person cannot be insured under more than one certificate providing the same type of insurance coverage under group policies issued by the Company to the Policyholder and/or its affiliates. Coverage

will be in effect under only one certificate at any one time. Premium paid for certificates which are not in effect will be refunded.

#### **MISSTATEMENT OF AGE**

If premiums and/or benefits for the Insured Person are based on age and the Insured Person's age has been misstated, there will be a fair adjustment of premiums and/or benefits based on the Insured Person's true age. The Company may require satisfactory proof of age before paying any claim.

#### **EXCESS PROVISION (Not Applicable to Accidental Death and Dismemberment and Permanent and Total Disability Benefits)**

The Benefits under the Policy, other than those noted above, are excess over any other valid and collectible insurance, including but not limited to, Other Medical Expense Insurance and travel insurance, available to the Insured for a covered loss under the Policy. If an Insured receives or is entitled to receive benefits or services from any other valid and collectible insurance for any eligible benefit category of a covered loss for which he or she is entitled under the Policy, such benefit under the Policy will be in excess of the amount of such other valid and collectible insurance.

Benefits payable will be reduced to the extent that benefits for expenses are covered by any other valid and collectible insurance whether or not a claim is made for such benefits. For purposes of the Policy, an Insured's entitlement to other valid and collectible insurance will be determined as if the Policy did not exist and shall not depend upon whether timely application for other valid and collectible insurance is made by or on behalf of the Insured. If the other valid and collectible insurance provides benefits on an excess coverage basis, benefits will be paid first by the insurer or services plan whose coverage has been in effect for the longer period of time.

#### **RIGHT OF RECOVERY (Not Applicable to Accidental Death and Dismemberment and Permanent and Total Disability Benefits)**

As a condition to receiving benefits under the Policy, other than the benefits noted above, the Insured (or, if he or she is deceased, an authorized representative of the Insured) agrees, except as may be limited or prohibited by applicable law:

1. to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage; and
2. without limiting the preceding, that the Company is subrogated, for the purpose of the Company's recovery of any such benefits paid to or on behalf of the Insured Person, to any and all claims, causes of action or rights that he or she has or that may rise against any Third Party who has or may have caused, contributed to or aggravated the injury or condition for which the Insured Person claims an entitlement to Policy benefits, and to any claims, causes of action or rights he or she may have against any Coverage for the injury or condition for which the Insured Person claims an entitlement to Policy benefits.

The Insured Person agrees that he or she will make a decision on pursuing any and all claims, causes of action and rights against any and all Third Parties and Coverage within 30 days of the date the Company requires that the Insured Person provide Notice of Claim for the injury or condition for which such Policy

benefits are sought, and within such 30-day period will so notify the Company in writing. In the event the Insured Person decides not to pursue a claim, cause of action or right against a Third Party or Coverage, or fails to notify the Company of his or her intent to do so within such 30-day period, the Insured Person authorizes the Company to pursue, sue, compromise or settle any such claim, cause of action or right in his or her name, authorizes the Company to execute any and all documents necessary to pursue any such claim, cause of action or right, and agrees to cooperate fully with the Company in the prosecution of any such claim, cause of action or right.

If the Insured is a minor or is not competent to make this agreement, the legal guardian of the Insured's property makes the agreement on the Insured's behalf as a condition to receiving benefits under the Policy on behalf of the Insured. If the Insured has no guardian for his or her property, the person or persons who, in the Company's opinion, have assumed the custody and support of the minor or responsibility for the incompetent person's affairs make the agreement on the Insured's behalf as a condition to receiving such benefits under the Policy on behalf of the Insured.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of the Insured Person against any Third Party or Coverage. The Company will not be entitled to recover for any benefits paid to or on behalf of the Insured Person until after the Insured Person has been fully compensated for the loss sustained. For purposes of this Right of Recovery Provision Only:

**Coverage** means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except the Policy and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder).

**Third Party(ies)** means any person, corporation, or other entity (except the Insured, the Policyholder, and the Company).

## **ADDENDUM NO. 1**

### **SICKNESS AND NON-DIVE ACCIDENT COVERAGE**

**THIS ENDORSEMENT CHANGES THE POLICY.**

**PLEASE READ IT CAREFULLY.**

In consideration of the payment of the additional premium set forth in the Policy, it is understood and agreed that the Policy is extended to provide coverage for Sickness and Non-Dive Accidents as follows:

#### **SICKNESS AND NON-DIVE ACCIDENT MEDICAL BENEFITS**

Sickness and Non-Diving Accident coverage may only be purchased as optional coverage following the purchase of the Preferred Dive Accident plan.

Insured Persons' who select the optional Sickness and Non-Dive Accident Benefit coverage under this Addendum and pay the additional premium shall receive the additional Benefits listed in this Addendum No. 1 in accordance with the Schedule below. All clauses, application forms, insurance policies, insurance certificates and endorsements attached to the Policy shall be an integral part of the coverage provided by this Addendum No. 1. In case of any conflict between the Policy and this Addendum No. 1, the terms of this Addendum No. 1 shall prevail. Matters not covered in this Addendum No. 1 shall be covered by the provisions of the main insurance contract, including definition of key terms and exclusions under the various benefits.

This Addendum includes the Benefits listed in the Benefit Schedule below. Benefits payable for expenses incurred for all benefits will not exceed the Benefit Limit or Sublimit shown for that benefit in the Benefit Schedule. Other Benefits under the Dive Accident Coverage may not be combined with benefits under this Addendum No. 1 to obtain a higher Benefit Limit. If coverage overlaps and more than one benefit provides coverage for a loss, the benefit with the highest limit will control and overlapping benefits will be fully extinguished.

## **Sickness and Non-Dive Accident Covered Medical Expenses**

If the Insured Person has incurred charges for medical treatment due to a Sickness or a Non-Diving Accident, the Company will pay, up to the Benefit Limit, for the Covered Charges described below subject to the terms and limitations contained herein. The Sickness or Accident must occur while Coverage is in force and the Insured Person is on a Trip exclusively for recreational purposes.

**COVERED CHARGES** means eligible expenses that are incurred by the Insured Person for Medically Necessary services, supplies, care or treatment for a Sickness or Non-Diving Accident. The Sickness or Accident must occur while Insurance is in force. Eligible expenses must be incurred within 365 days of the Sickness or Accident.

If the Hospital where confined has only private rooms, the daily Hospital allowance will be 80% of the private room rate. The daily Intensive Care Unit allowance payable for room and board for each day of confinement in an Intensive Care Unit is two times the daily Hospital allowance.

4. Medical supply charges for oxygen and anesthesia, including their administration, when these are not covered as Hospital charges
5. Other eligible expenses include: ambulatory surgical charges provided by a licensed ambulatory surgical center for necessary services and supplies, provided such charges would have been payable if the surgery had been done in a Hospital; nursing, physiotherapy, and occupational therapy charges; radiological and laboratory charges for X-rays, radiological treatment, and diagnostic laboratory tests; and, medical supply charges for: casts, splints, trusses, braces, crutches, and surgical dressing; artificial eyes and limbs for the initial replacement of natural eyes and limbs severed while insured; and rental of manually operated wheelchairs and hospital beds, oxygen equipment and other durable medical equipment that is used solely by the Insured Person for the treatment of the Injury. The Company, at its discretion, may approve purchase of such items.

**ACCIDENTAL DEATH AND DISMEMBERMENT BENEFIT –  
WHILE ON A TRIP**

The Company will pay the benefit listed in the following table if the Insured Person has sustained a Loss stated therein while on a Trip. Such Loss must occur within 365 days of the time of the Accident. The benefit payable for such Loss shall be the amount stated opposite such Loss. If more than one Loss is sustained as the result of one Accident, only one amount, the largest, will be payable. The Principal Sum is shown in the Benefit Schedule.

Table of Losses

| <u>For Loss of:</u>                           | <u>Payment:</u>            |
|---|----------------------------|
| Life Principal Sum                            | Principal Sum              |
| Both Hands or Both Feet or Sight of Both Eyes | Principal Sum              |
| One Hand and One Foot                         | Principal Sum              |
| Either Hand or Foot and Sight of One Eye      | Principal Sum              |
| Either Hand or Foot                           | One-Half the Principal Sum |
| Sight of One Eye                              | One-Half the Principal Sum |

The term “Loss” as used herein means:

1. with regard to hand and foot, actual severance through or above the wrist or ankle joint; and

The loss must:

1. occur within 365 days of the time of the Accident;
2. continue without interruption for at least 1 year; and
3. reasonably be expected to continue without interruption until the Insured Person’s death.

Any amount otherwise payable under this benefit will be less any amount paid or payable under the Accidental Death and Dismemberment benefit provided the loss is due to the same Covered Diving Accident.

For purposes of this benefit only, the phrase “Permanent and Total Disability/Permanently and Totally Disabled” means that the Insured Person is permanently unable to perform the material and substantial

duties of any occupation for which he or she is qualified by reason of education, experience, or training. With respect to the Insured Person for whom an occupational definition of Permanent and Total Disability/Permanently and Totally Disabled is not appropriate, Permanent and Total Disability/Permanent and Totally Disabled means that the Insured Person is permanently unable to engage in any of the usual activities of a person of like age and sex whose health is comparable to that of the Insured Person immediately prior to the Accident.

### **Extended Benefits**

If the Policy terminates while the Insured Person is Totally Disabled, benefits will be extended for charges incurred after the date of termination. These extended benefits are subject to the same terms that would have applied if the Policy had remained in force. These extended benefits are payable only for charges incurred:

1. for treatment of the specific Accident that caused the Total Disability;
2. while such person remains so Totally Disabled; and
3. during the first 12 consecutive months after the Policy terminates.

For purposes of the Extended Benefits, Total Disability/Totally Disabled means that the Insured Person is unable to perform the material and substantial duties of any occupation for which he or she is qualified by reason of education, experience, or training.
